

## Online Learning Opportunities During COVID-19

The Greater Detroit Association would like to share with you some wonderful online resources to stay engaged in the humanities, arts and sciences while maintaining healthy social distance. Several entities listed below have developed virtual programming during COVID-19 to replace their usual onsite offerings. Others have robust online resources even when we are not in the midst of a pandemic. For updates about virtual learning opportunities, follow Greater Detroit Phi Beta Kappa on [Facebook](#) and [Twitter](#). Have fun exploring the following resources!

### PHI BETA KAPPA SOCIETY
